hariom Akhand

BCA Student at Sant Singaji Institute of Science and Management
Sandalpur || Aspiring MERN Stack Developer
Khategaon, Madhya Pradesh, India

Summary

Hi, I'm Hariom Akhand, a dedicated and passionate tech enthusiast pursuing a Bachelor of Computer Applications (BCA) along with an IT diploma from Sant Singaji Institute of Science and Management Sandalpur development and programming, with a strong command over technologies like Java, JavaScript, HTML, CSS ,Bootstrap , React.js, Express.js, MongoDB, Node.js, MySQL, and Agile methodologies.

I have a solid foundation in Data Structures and Algorithms (DSA) and am actively working towards becoming a proficient MERN stack developer. My focus is on building robust, scalable, and user-friendly web applications while staying updated with the latest industry trends.

I thrive on challenges and enjoy creating innovative solutions through technology. My goal is to combine my technical skills and creativity to contribute to impactful projects and help businesses achieve their digital transformation goals.

If you're looking for a collaborative and skilled developer for your team or project, feel free to connect. Let's build something amazing together"
